

## NEWS RELEASE

18 June 2007

### ***New Building Director for May Gurney***

May Gurney, the support and construction services provider, has recently appointed Robert Russell as Building Services Director, within its Engineering & Project Services sector.

Based at May Gurney's Stevenage office, the centre for its building services, Robert will be responsible for fully integrating the building services team and growing the building services operation in line with May Gurney's business plan.

Robert has successful experience in organic and acquisition growth of infrastructure and facilities management services businesses. Previously at R.R. Richardson Ltd, leaving the position of Contracts Director, to come to May Gurney.

Steve Jagger, Managing Director, Engineering & Project Services at May Gurney, commented: "I am delighted to have secured the services of someone as qualified as Robert, who can take this important role forward in further strengthening the capabilities of Engineering and Project Services."
